BACKGROUND

The Reading Revolution, Library Plan 2008 – 13 includes the following service principle as part of ***The Way We Work*** on page 10:

Workforce Support and Development

We maintain a workplace culture that motivates staff to provide expert services and to strive for excellence

The Geelong Regional Library Corporation (GRLC) welcomes feedback on our library spaces and facilities, service, programs and events. GRLC is committed to consistent, fair and confidential complaint handling and to resolving complaints as quickly as possible. We aim to make it easy for people to make a complaint if they are dissatisfied and we will treat all customers making a complaint equally.

We value complaints as they assist us to improve our products, services and customer service and this policy has been designed to assist customers and staff.

DEFINITIONS

Complaint: any expression of dissatisfaction or grievance made to staff by a customer or member of the public in relation to GRLC library spaces and facilities, service, programs and events

SCOPE

This policy applies to all members of the community accessing GRLC library spaces and facilities, service, programs and events.

Complaints can be received via Visitor Feedback Cards, via letter or email, social media or on line at www.geelonglibraries.vic.gov.au/feedback.

POLICY

Responding to complaints

All people making a complaint will be treated with courtesy and thanked for bringing the matter to the attention of our staff. Where possible, complaints will be resolved at the first point of contact.

If a customer complains to a staff member, the staff member will give the customer a Visitor Feedback Card and offer to complete the card on their behalf or direct the customer to the Customer Feedback Box where they can deposit the card in their own time. The card includes GRLC contact details if the customer would prefer to write or make contact through the website.

Recording complaints

All complaints received will be forwarded to the Corporate and Customer Services Manager and recorded centrally. Recorded complaints will be monitored for any ongoing trends and actions put in place to improve our service delivery. Details of all communication with the customer and any actions taken to resolve the complaint will be recorded in one central location.

Informing customers of progress

We strive to resolve all complaints promptly and acknowledge receipt of all complaints within seven days. If, at this time further investigation is required an expected timeframe will be provided. The customer will be informed of the progress of their complaint regularly, especially if there are any delays or changes to what has been agreed.

Customers will be informed of any changes to our services, events and programs as a result of their complaint.

Escalation of complaints

If we cannot resolve the complaint to the customer's satisfaction, we will inform them how to take further action such as Consumer Affairs Victoria or The Victorian Equal Opportunity and Human Rights Commission.
