Take a closer look around your house, garden and neighbourhood. Find objects that resemble letters. Take a photo and then turn your alphabet photography into a meaningful quote.

YOU WILL NEED: Device with camera (or digital camera), printer, coloured paper, scissors, glue.

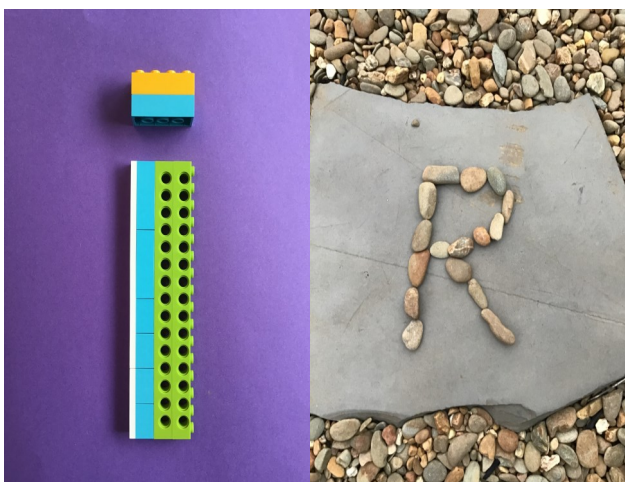

STEP 1: Search your home.

STEP 2: Search your garden.

STEP 3: Search your neighbourhood.

STEP 4: Or make your own letters from objects.

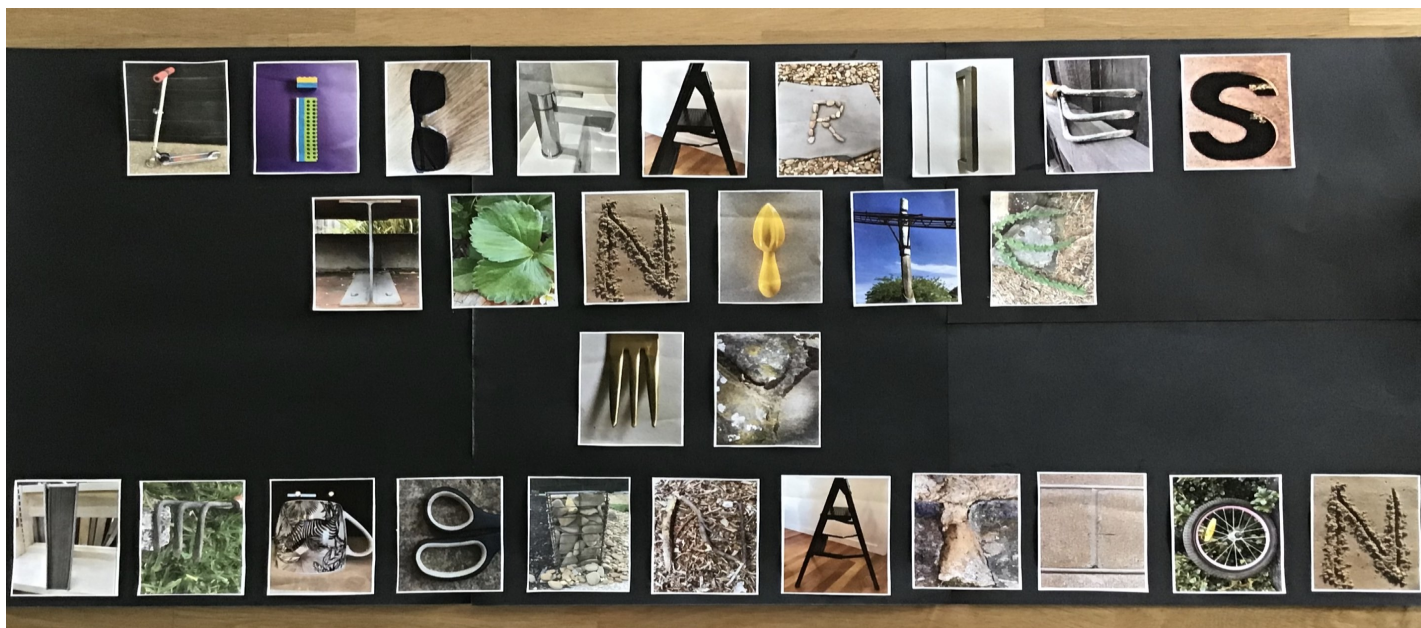

STEP 5: Review what you have, then use letters to make words that have meaning for you. Print, cut and glue onto coloured paper.
