POM-POM CREATURES

Create our own wild mythical creatures out of wool! In this activity, you will learn how to make your own fluffy pom-pom creature. Adult assistance may be required.

RESOURCES: Scraps of wool, PVA glue, scissors, googly eyes, pipe cleaners etc. to decorate.

STEP 1: Wrap the wool around four of your fingers, approx. 130 times. (You don't need to count– you might like to sing your favourite song instead!)

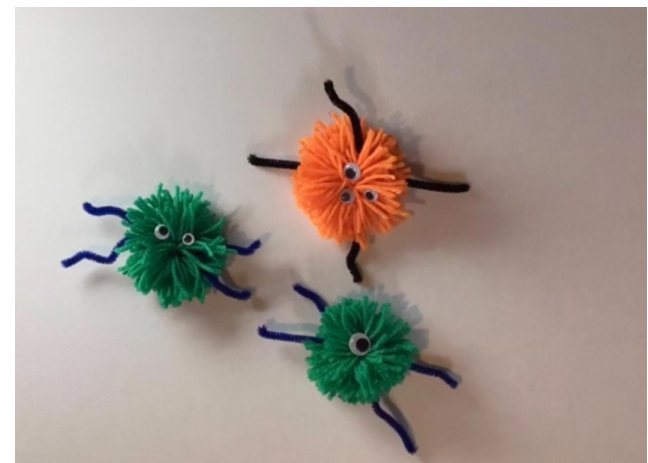

STEP 2: Cut another piece of wool and place it on your table. Remove the wool from your hand and lay the bundle on top of your piece of wool.

STEP 3: Tie wool tightly around the middle of your bundle. Make another knot, then turn it over and tie two more knots. This will keep your pom-pom together.

STEP 4: Use the scissors to cut the wool around the edges of your bundle. Trim off any extra long bits of wool to tidy it up. You now have a pom-pom!

STEP 5: Turn your pom-pom into a creature by adding pipe cleaners, googly eyes or any other crafty things you might have at home. Don't forget to make lots of other friends for your creature to play with!
