

PREFERRED CATERING SUPPLIERS

Geelong Regional Libraries

This Preferred Supplier List provides hirers with a selection of trusted local catering businesses for small catering orders (up to 20 guests) at the Geelong Library & Heritage Centre, as well as catering of any size for our regional library locations. These catering options are suitable for small meetings, workshops, training sessions, and events hosted across the Geelong Regional Libraries network.

These suppliers offer delivery or pick-up catering options including platters, morning/afternoon teas, light lunches, grazing boxes, and simple beverage services. All listed providers meet required food safety and insurance standards.

How to Use This List

- Contact suppliers directly to discuss menu options, availability, and pricing.
- Place orders according to each supplier's lead time and delivery requirements.
- Coordinate delivery or pick-up directly with the supplier.

Important Notes for Hirers

- Geelong Regional Libraries does not guarantee availability or endorse one provider over another.
- For bookings at **Geelong Library & Heritage Centre** with **over 20** guests expected, hirers must select from the separate panel of [tendered catering providers](#).
- For bookings at **Geelong Library & Heritage Centre**, only **'drop off'** catering is permitted for the below suppliers, i.e. catering staff from the below suppliers are not permitted to provide catering services onsite.
- All waste, packaging, and leftover food must be removed or disposed of by Hirer.

- Hirers are responsible for liaising directly with suppliers for all catering arrangements. GRLC staff cannot place or manage orders on behalf of Hirers.
- This list has been created to help connect Hirers with local, trusted catering suppliers. It is not an exclusive list, and Hirers have the option to choose a supplier of their choosing or bring their own food/beverages (bearing in mind the restrictions for bookings exceeding 20 guests at **Geelong Library & Heritage Centre**).
- This document will be updated periodically as new suppliers join the Preferred Supplier List.
- A combination of providers may be selected for any event (maximum of two providers per day of the event)
